2005 COUNTY OF LOS ANGELES VOLUNTEER PROGRAM REPORT

On December 20, 2005 the Board of Supervisors approved a motion by Mayor Michael D. Antonovich for the County of Los Angeles Volunteer Program. The Board directed County departments to submit to my office reports on the number of hours donated by volunteers on a quarterly basis. This report is a result of that effort.

Last year, there were 53,309 County volunteers who donated a total of 3,351,106.25 hours to various County departments. The Independent Sector, a national organization, has established rates to determine values for volunteer service hours. Using these rates, we have calculated the value of County volunteer service hours to be \$64 million dollars.

If you require additional information, please have a member of your staff contact Victoria Pipkin-Lane, Director, Office of Workplace Programs, at (213) 974-2495.
